## 2021 Voluntary School Contributions

Dear Parents/Caregivers,

The cost of resources to support student learning is on the increase. As a school, we work hard to ensure that our students have the best resources. We have deliberately chosen to not be a BYOD (Bring Your Own Device – laptops/iPads) school as this would directly affect the finances of families to provide each student with a device. The school therefore purchases devices to support student learning, however each year many of these devices need to be replaced due to age or damage. The voluntary school fees directly support the purchase of technology which is generally over \$10K each year.

The 2021 fee is \$45 per student. All families who pay their contribution fee will be entered in a draw to win a prize. The draw date will be early Term 3 and will be advised in the school newsletter. If you are experiencing financial difficulties please do not hesitate to contact the school to discuss how we can be of assistance. We are happy to support a payment plan.

Please complete and detach the slip below and return it to school with your chosen method of payment.

Regards,

Kathy Rembisz  
Principal

### ST GEORGES BASIN PUBLIC SCHOOL VOLUNTARY SCHOOL CONTRIBUTION PAYMENT SLIP

Student Name	Class
1	
2	
3	
4
